# 點選Xilinx Product Licensing Site

The screenshot shows a web browser window displaying the Xilinx Product Licensing Site. The browser's address bar shows the URL [http://www.xilinx.com/support/licensing\\_solution\\_center.htm](http://www.xilinx.com/support/licensing_solution_center.htm). The Xilinx logo is visible in the top left of the page, with the tagline "ALL PROGRAMMABLE..". A search bar and links for "My Account", "Sign Out", and a shopping cart icon are in the top right. A navigation menu includes "APPLICATIONS", "PRODUCTS", "DEVELOPER ZONE", "SUPPORT", and "ABOUT". The main heading is "Licensing Solution Center" with the subtext "What type of product license help do you need?". A list of options is provided, with "Obtain a license for Free or Evaluation product" selected. A text box explains that after installing Vivado, SDx, or ISE Design Suite, the Xilinx License Configuration Manager (XCLM) will start automatically. A red box highlights the link "Xilinx Product Licensing Site" in the text "You may also go directly to the Xilinx Product Licensing Site to obtain licenses for free or evaluation products if you decided to skip this step during product installation." To the right, there are sections for "Key Documentation" (including links to ISE, Vivado, and Design Tools documentation) and "Quick Links" (including links to the Access Product Licensing Site, FAQ, and other resources). The Windows taskbar at the bottom shows the time as 10:09 on 2016/2/23.

The selected email is from **xilinx.notification@entitlenow.com** with the subject **Xilinx, Inc. – Certificate Based License File for Your Design Tool or IP Core Product**, dated 1月 19 日於 3:51 PM. The email content includes:

Dear **PETER YAO**:

Thank you for licensing your Xilinx® design tool or IP core product. This email includes the certificate license file to enable your product. The license file can also be obtained by returning to the Xilinx Product Licensing Site: <http://www.xilinx.com/getlicense>

For complete instructions on installing this license file, see the Vivado Design Suite User Guide: Release Notes, Installation, and Licensing document on the Xilinx web at: <http://www.xilinx.com/cgi-bin/docs/rdoc?v=latest&d=iil.pdf&a=ObtainManageLicense>

**Quick-Start License Installation Instructions**

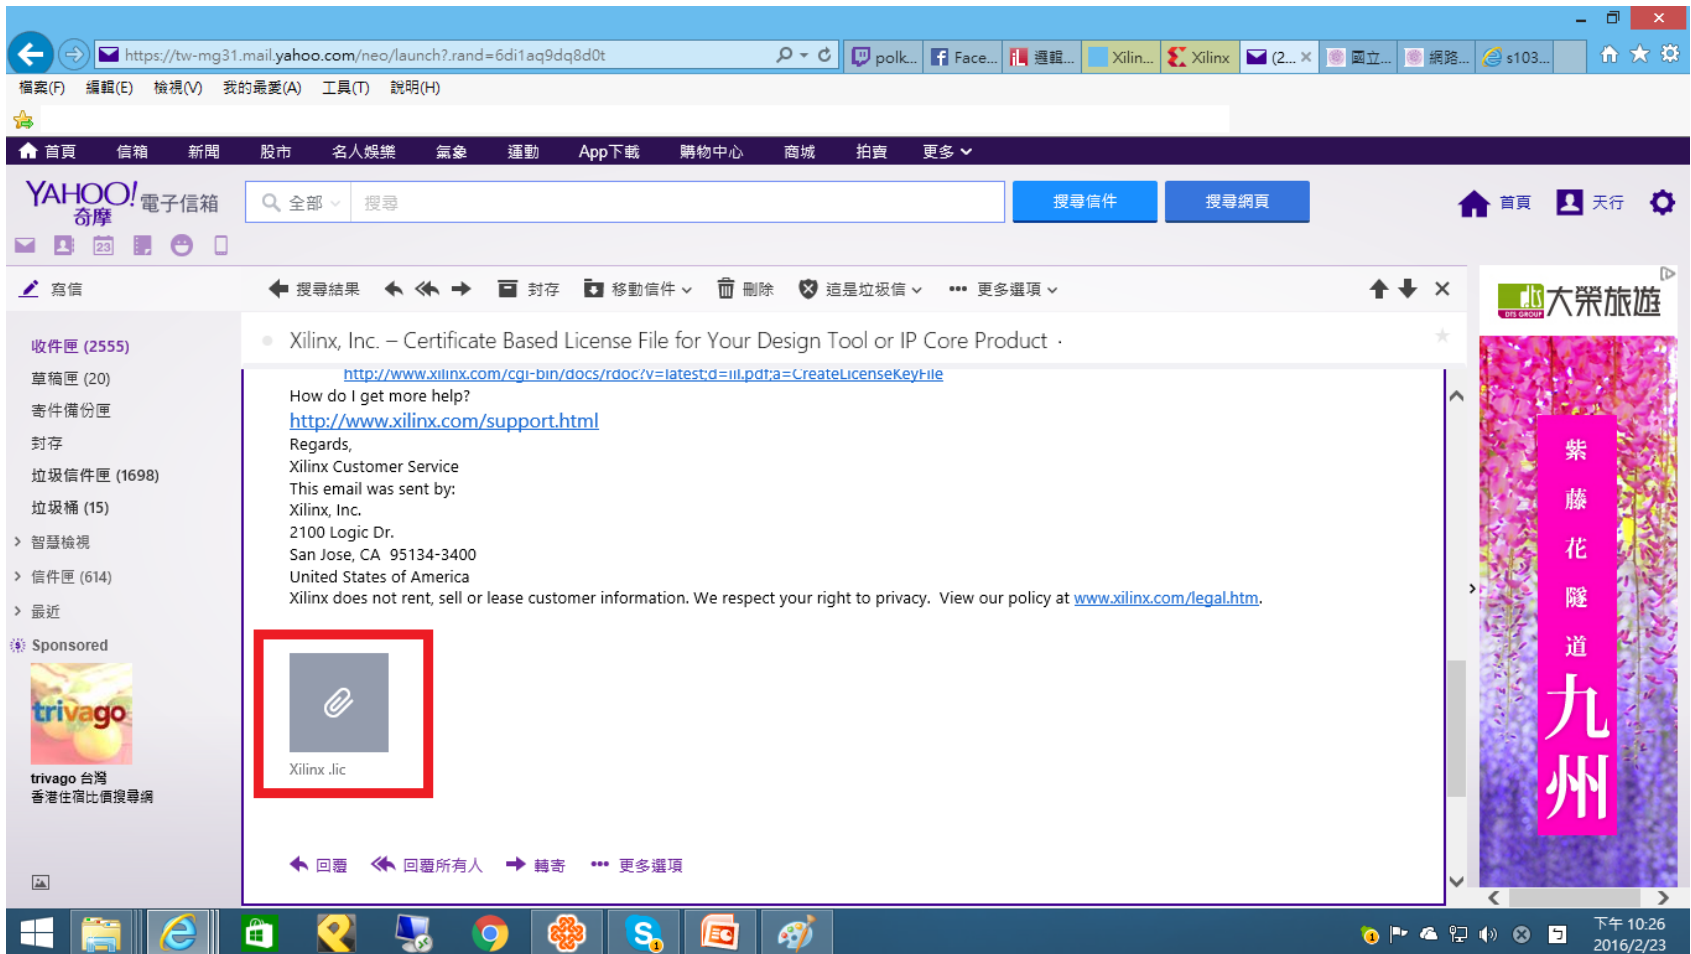

Node-locked Licenses:  
These steps will copy your license file to the appropriate default directory (the .Xilinx directory under your home drive – typically C: for Windows).

1. Save the attached license file (.lic) to your desktop or some other folder on your computer
2. Run the Vivado License Manager  
Windows: Run 'Manage Xilinx Licenses' from underneath your Version group of the Xilinx Design Tools program group  
Linux: Type 'vlm' in a command-line window
3. Select the 'Load License' screen and click on the 'Copy License...' button
4. Browse to the downloaded license file and click 'Open'

Note: IP licenses generated from the Xilinx Product Licensing Site are designed to be used with IP released against Vivado Design Suite (all versions) and 11.2 and later versions of ISE Design Suite IP. If this is an IP license to be used with a 10.1 or earlier ISE Design Suite design

At the bottom left, there is a sponsored advertisement for "國民鮪魚【魚有王】" (National Tuna [Fish King]).
